Internship Architecture

Are you ambitious, enthusiastic and eager to learn? And looking for an internship or thesis project at a multidisciplinary design agency? Then Rijnboutt is the right place for you!

As of February 2019, we have an internship position available at our Architecture department.

What we’re looking for

- You are currently registered as a student in Europe, for a bachelor’s or master’s degree program in Architecture
- You have a great understanding and feeling for conceptual thinking and are experienced at making study models (both physical and digital)
- You are able to present your work in a professional matter
- Ambition, enthusiasm and eagerness to learn
- Experience with ArchiCad and/or Revit
- Experience with design program’s for studies such as Indesign, Illustrator and Photoshop
- You are available full-time for a minimum of 6 months
- Knowledge of the English language is required

What we’re offering

Rijnboutt designs and works on architecture, urban design and landscape projects in metropolitan areas. Our expertise extends to the fields of sustainability, BIM, and heritage. You’ll be working at an agency consisting of 80 colleagues and specialists which you can learn a lot from. Your team is made up of 15 employees. Other than that we offer:

- The Rijnboutt Academy to further expand your knowledge
- A competitive monthly compensation
- Your own personal mentor to guide you through your learning & development during the internship
- Excursions, drinks & a workplace Harbour City Amsterdam with an office located on the Moermanskkade, with a beautiful view overlooking the beautiful harbor waterfront.

Interested?
